**It could be just the thing for you.**

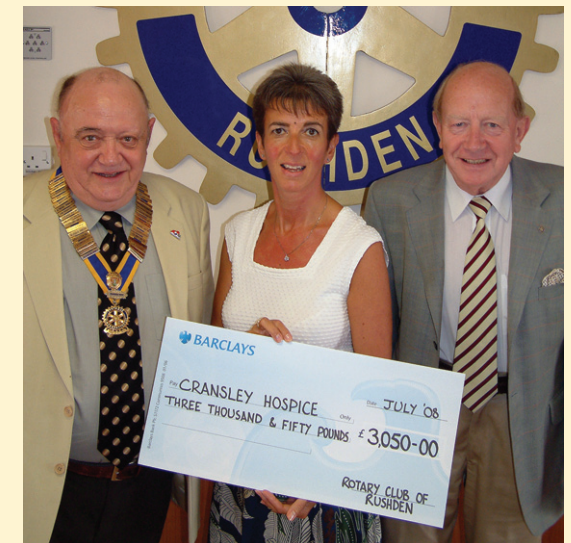

Fun and fund raising is part of the work of a Rotary Club, though not exclusively and we aim to make such events as much fun as possible.

Rushden Rotarians have supported **Internationally**, the provision of Shelter boxes for disasters and funds for the eradication of Polio, **Nationally**, Macmillan and Marie Curie cancer charities and **Locally**, the Air Ambulance, dictionaries for school children, Christmas trips for the elderly, stroke awareness campaigns and 'Kids Out' at Wicksteed Park.

Families and friends are encouraged to take part and clubs interact with each other in joint projects.

The three Rotary Clubs in Rushden have their own distinctive programmes. All will have an underlying theme of "Service Above Self".

**Why not find out about our next event and come along to see if it is for you.**
